Terry Reilly Health Services - Affordable medical, dental and mental health services for the whole family. <https://www.trhs.org/>

Idaho Youth Ranch (Mental) - Mental health resources for teenagers and families. <https://www.youthranch.org/teen-resources>

Medicaid - This program provides assistance according to individual need, to help pay health coverage premiums or for affordable private health insurance plans. <https://idalink.idaho.gov/>

Idaho Department of Health and Welfare - Dedicated to strengthening the health, safety, and independence of Idahoans. <https://healthandwelfare.idaho.gov/>

The Bridge - The Bridge Youth and Family Resource Center works to keep youth out of the juvenile justice and child welfare systems by connecting families with supportive services in the community. Through in-depth assessment and evidence-based screening tools, center staff work with youth and families to understand factors contributing to concerning behaviors. An individualized case plan then connects them to resources and services to create a safe, healthy and hopeful future. <https://adacounty.id.gov/thebridge/>

The Counseling Center - We provide in-person and telemental health counseling services for individuals and families searching for healthier lives. Our clinicians can address mental health needs through compassionate and confidential therapy sessions. We are a professional counseling center that is located in Tree City Church, but religious and spiritual values and beliefs are only involved upon request by each patient. Fees can be covered by most health insurance companies and reduced fee services are provided by supervised counselors in training. <https://www.treecitycounselorsboise.com/>
